

LETTER OF ANNOUNCEMENT
New Minor Release of the EU Hub

23rd November 2018

Dear NMVO,

EMVO is pleased to inform you of the deployment date for Release 1.4.01 to Production (PRD).

This will be deployed on Wednesday 28th November; and will be available from the start of business on Thursday 29th November.

As we have already made clear in earlier communications, deployment to ITE and IQE environments have already been successfully delivered. Please note that there will be no downtime of the system, nor will there be any impact on the interface (API).

For further information related to the deployment of Release 1.4.01 please see our Letter of Announcement dated 12th November; which can be found in our Knowledge Database.
